

Nominating Committee Report

The nominating committee is pleased to present to you the slate of candidates for 2011-2012. A few things of note:

Two nominating committee candidates require board action, so please plan for that at the next board meeting.

No one has stepped forward as chair of either Grounds or Stewardship. This is a critical lapse and I'm hoping that once the congregation is made aware of it, someone will step forward.

Sincerely,

Sandra Ries
