2. Connecting with our Moral Ownership

2.1. Visitor's Forum

Bear introduced himself and provided some background on his role as Communications lead for the Church. During the pandemic, he was required to learn digital broadcasting and video editing almost overnight. The entire experience this past year has changed his idea of Church. In his current role he gathers content from the pastors and puts them together, including for the Sunday service. He is also responsible for archiving.

In the pandemic year, communication is not through tactile medium and will likely stay that way for awhile. Every weekend, participants from 27 countries join our service. We are breaking boundaries. We are making our church bigger. This will leave an indelible mark on how we worship. This trend will stick with us – changes will follow as church numbers are increasing as its become more accessible.

Elias commended Bear for the weekly newsletter. Leo enquired whether Bear has enough support – Bear was working 100 hrs per week at the beginning of the pandemic; feels ready to handle any type of technology crises these days. Expressed need for a AV team pretty soon; even 2 more people to run sound and keep the video going

How do we improve engagement? Vimeo vs Facebook (FB). FB is getting harder to keep video up. Cited an example when FB stopped our live service because of copyright issues with a song. Rev. Meg recommended moving this question to a different forum (perhaps the re-opening team discussion).

Status: Completed

2.2. Recognition of Church Volunteers and Staff

Chalice Circle leaders

Celeste Padilla for gardening clean-up

Status: Completed

2.3. Moment with Meg

Rev. Meg shared that the Reopening Team met last Saturday and came up with an idea to implement wristbands for future social gathering. Colored wristbands (in green, yellow and red) will be provided to indicate openness to being social. Next in-person coffee hour scheduled for June 27th.

Regarding RE classes – some parents can drop kids off in the playground; classes will be outside through Nov as kids are not vaccinated.

A \$16M offer was made on the church property. Rev. Meg expressed no appetite to sell or move the church as its too disruptive to the congregation; even if we manage to sell, there is the difficult matter of finding an equivalent property that is available for purchase.

Rev. Meg also remarked on the possibility for committee reports to be prewritten and posted; it would save time for the Board and frees up time to discuss other things.

Status: Completed

3. Monitoring our Progress

3.1. Monitoring of Ends and/or Executive Limitations

Review monitoring report for Executive Limitation 2.8 - Communication and Support of the Board

Removed from the agenda and included in consent agenda

Status: Completed

3.2. Linkage Committee

Nathan enquired about the notion and purpose of Linkage; Kristen clarified.

4. Learning & Creating the Future

4.1. Book Ideas

Please bring recommendations for a book the board can read together and discuss throughout the year.

Russell enquired about the relevance and importance of this exercise for the Board. Rev. Meg clarified that one of the main projects of this congregation is to become antiracist; one of the ends is to fight white supremacy; its important for the Board to recognize white supremacist culture as it crops up in the community; the book reading exercise informs that for the Board members as leaders of the congregation; the Board has been doing this for many years now.

Book recommendations include:

- 'How the word is passed' by Clint Smith. Kelly explained that the book is about how we tell stories about our country's history and how that storytelling perpetuates racism
- Braiding Sweetgrass by Robin Wall Kimmerer. Rob and Chris explained that the book is about indigenous scientists and the author's indigenous experience and how it informs science; it's such a different perspective, it talks about how in Native American culture they are not different from the world. Very different way of approaching the world – embraces rocks, trees as our siblings.
- 'How to be an anti-racist' by Ibram Kendi. Nesan shared how the book highlights the structural and systemic ways that racism is embedded in our society's fabric.
- 'The Sum of Us: What Racism Costs Everyone and How We Can Prosper Together'
- 'Towards Collective Liberation' by Chris Crass
- 'The Purpose of Power' by Alicia Garza. Sadie felt that it would be good to read something that helps build actions and ideas
- 'Between the World and Me' Ta-Nehisi Coates

Status: Completed

Monthly Program Development Report First Unitarian Universalist Church of Austin June 2021

Worship Services and Gatherings

We continue to do our worship services online but continue to do a few outdoor events. The reopening team is closely watching what happens with Delta variant of the virus.

Building Closure

Our staff continue to work from home for the most part, though, since are all staff are now vaccinated, we have been on site more often than before.

Church Operations

We continue to do our church meetings, RE classes and small groups by Zoom.

Finances

Please the separate financial reports attached. I will talk about the projected budget for 2022 during the meeting.

Warmly,

Chris

End 1.4.6 and Interpretation for Board Discussion

End 1.4.6 – We partner with other organizations and faith communities to dismantle a culture of white supremacy and other systems of oppression, within ourselves, within our church community, and beyond our walls

By "a culture of white supremacy" we mean:

*Culture refers to the knowledge, experience, beliefs, values, attitudes, meanings, communication, way of life, hierarchies, religion, notions of time, roles, spatial relations, concepts of the universe, and material objects and possessions acquired by a group of people in the course of generations through teaching, modeling, media, education, and other methods of passing down a collective stance toward the world.

Culture is the knowledge shared by a group of people.

Culture is communication, communication is culture.

A culture is a way of life of a group of people--the behaviors, beliefs, values, and symbols that they accept, generally without thinking about them, and that are passed along by communication and imitation from one generation to the next.

Culture is a collective programming of the mind that distinguishes the members of one group or category of people from another.

Cultural racism is how the dominant culture shapes norms and defines reality to advantage white people and oppress People of Color, making whiteness the norm and promoting (consciously and unconsciously) the ideology that the ideas, thoughts, actions, and beliefs of white people are superior to those of People of the Global Majority.

"White supremacy culture is an artificial, historically constructed culture which expresses, justifies and binds together the United States white supremacy system. It is the glue that binds together white-controlled institutions into systems and white-controlled systems into the global white supremacy system. "

[from Sharon Martinas and the Challenging White Supremacy Workshop]

• adapted from resources available on the "Showing up for racial justice" web site.

We will spend time and attention learning about these attitudes and beliefs within ourselves. We will become aware of how white supremacy culture manifests itself at First UU. We will create a vision of what we, our congregation, and our community would look like if whiteness culture were not dominant. We will call attention to the white-controlled institutions of the US and see how white supremacy is manifested around the world.

We will not attempt to do this alone. We will work with anti-racism organizations in our community, particularly those led by People of Color, with TX UU Justice Ministry, Austin Sanctuary Network, UU Allies for Racial Equity and other groups to learn how we can use our

privileges of citizenship, able-bodiedness, education, whiteness, or political connection to help take apart this entrenched system. We recognize that white supremacy culture is connected to patriarchy, a world-wide system perpetuated by both men and women that advantages men and disadvantages women. We will also spend time and attention learning how patriarchy manifests in ourselves, in our congregation and in our community.

Limitations Report 2.1 – Treatment of Congregants, Friends and Visitors

First UU Church of Austin July 13, 2021

2.1 With respect to interactions with members, friends and visitors of the church the Senior Minister shall not allow conditions, procedures, or decisions that are unsafe, disrespectful, unnecessarily intrusive, or that fail to provide appropriate confidentiality and privacy.

The interpretation of the above section occurs in the details below.

2.1.1 Violate the confidentiality of congregant pledge information, except as required by congregants of the Finance and Canvass Committees to carry out their responsibilities.

Interpretation:

The senior minister will take all standard measures to safeguard private congregant pledge information.

Specifically, that means that such data stored electronically shall have high security standards to minimize the risk of data theft or misuse. Data stored as hard copy shall be kept in a secure area with access restricted to those with a legitimate need to access it.

Measures:

- 1. Reporting, in this limitations report or otherwise, by the executive.
- 2. The regular audit as performed by the board of trustees

Rationale for the Measures:

- 1. This report provides an appropriate venue for the executive to confirm or deny compliance with this limitation.
- 2. The board's audit, internal or external, provides the best possible way to provide thirdparty confirmation of compliance.

<u>Evidence of Compliance – The Data</u> I report compliance.

Only a bare minimum of staff and congregants have access to congregant giving and pledge information.

- Only three staff have full access to giving and pledge information, Chris Jimmerson, Minister for Program Development, our contract bookkeeper and Shannon Posern, Congregational Administrator, because it is a part of their essential job functions.
- For canvass each year, staff does the data entry of pledge data.

- Pledges from new members are received by the Congregational Administrator, then entered in the database.
- Pledge cards, once received by the office, are stored under lock and key at the church.
- Pledge cards are destroyed after two years.
- Hard copies of automatic payment information are destroyed after we are sure the payments are processing properly. The automatic payment information is entered into the system by the Congregational Administrator or church members themselves into a secure, online system.
- For the capital campaign, we also limit access to pledge information to those with a need to know.

2.1.2 Fail to provide a reasonable level of safety, upkeep, access and functionality for the facilities.

Interpretation:

We take this to mean that the building and grounds will be kept in good repair, and that access will be considered in all changes made to the property. Functionality both in the objects furnishing the building and the arrangement of those objects will be a topic of attention for staff.

Measures:

- 1. Reporting, in this limitations report or otherwise, by the executive.
- 2. Regular safety inspection by our insurance company.

Rationale for the Measures:

- 1. This report provides an appropriate venue for the executive to confirm or deny compliance with this limitation.
- 2. Our insurance company, Church Mutual, provides a free safety inspection on request. This third-party, professional review has a high level of credibility and objectivity.

<u>Evidence of Compliance – The Data</u> I report compliance.

During the past few years, we have improved the safety, upkeep, access, and functionality of the facility, especially with the newly completed renovations.

We continue to provide electronic monitoring of the doors and motion sensors, through a security company while the building is closed. We have also installed cameras during the pandemic so that staff can monitor the building even when not there physically.

In early 2020, Church Mutual, our insurance company did a safety inspection, after which they gave us a few recommendations. We took action on most of the recommendations until the Covid-19 pandemic forced us to close the building. We will take up the rest of them when we are back in the building.

2.1.3 Fail to maintain and enforce procedures to ensure the safety of congregants and children while at the Church or at Church functions.

Interpretation:

We take this to mean that we will have a Safe Congregations Policy delineating training for RE personnel. We will have a Covenant of Right Relations and a Disruptive Person Policy that will be used to ensure that people attending services and other church functions will feel as safe as possible emotionally and physically.

The policies will include enforcement procedures.

Measures:

- 1. Documentation of said covenant and policies.
- 2. Reports regarding safety and descriptions of how incidents are handled.

Rationale for the Measures:

- 1. Documentation provides direct evidence of the existence of procedures.
- 2. Reports demonstrate whether or not the procedures have been effectively enforced.

<u>Evidence of Compliance – The Data</u> I report compliance.

Our Safe Congregations Policy is part of the training of RE personnel. Our Disruptive Behavior Policy is thorough. The Board of Trustees has a procedure by which it deals with complaints about breeches of Board policy. We also have a breach of covenant policy and have a church-wide incident report included within the safety policy.

2.1.4. Fail to establish, publicize and follow written policies for processing congregant grievances and suggestions.

Interpretation:

We shall have a written procedure for processing congregant grievances and suggestions. It shall be made public in such a way that any reasonable person would be able to find and understand them with minimal effort. Said procedure will be followed.

Measures:

- 1. Documentation of said procedure.
- 2. Reporting, in this limitations report or otherwise, by the executive regarding the publicizing of said procedure and its implementation.

Rationale for the Measures:

- 1. Documentation provides direct evidence of the existence of procedures.
- 2. This report provides an appropriate venue for the executive to confirm or deny compliance with this limitation.

<u>Evidence of Compliance – The Data</u> I report compliance.

We wrote and posted a complaint/grievances policy and it is posted on an easily findable page on our website.

2.1.5. Fail to maintain a process to address serious breach of covenant.

Interpretation:

We shall have and implement a process to deal with serious breach of covenant.

Measures:

- 1. Documentation of said procedure.
- 2. Reporting, in this limitations report or otherwise, by the executive regarding the procedure's implementation.

Rationale for the Measures:

- 1. Documentation provides direct evidence of the existence of procedures.
- 2. The executive, directly or indirectly, has responsibility for the implementation of this process and would be most familiar with the outcomes.

Evidence of Compliance – The Data

I report compliance.

I report compliance. As mentioned above, we have a Serious Breach of Covenant Policy, which applies to members only, as well as a Disruptive Behavior Policy. Both are available on the church web site (see the links below).

Appendices: Our church safety policy, the complaint/conflict resolution (grievance) procedure, our disruptive behaviors policy and our covenant breaches policy are all available on the church website by clicking "Governance Documents" under the "Governance" pull down menu that appears at the top of each page on our website.
