

Board Engagement Committee Report

The committee priorities for this year include:

1. Create recipe book (leveraging recipes from last year's Board Christmas Party) and fundraise to benefit First UU staff members
2. Board Service Project – TBD. The committee briefly discussed doing something around the topic of Reproductive Rights given the recent impact of Texas legislation making abortion illegal
3. Board Holiday Party

Proposed timelines and next steps for all activities will be shared during the October Board meeting.
