Living Love...and Building Our Dreams

Did you know?

It may be easier than you might imagine to include First UU in estate planning. You can easily make First UU a secondary beneficiary. Learn more at the Legacy Giving Learning Session at 12:30 p.m. on Sunday, July 26.

To the Parents of Young Children, May We Suggest:

Relax! Nature made children to wiggle, so don't feel the need to suppress the fullness of their humanity in this sacred place.

Sit toward the front where it is easier for your little one to see what's going on.

Quietly explain the parts of the service to them, letting them know when it is time to sit in quiet reverence and when they should sing enthusiastically!

If you have to step out with your child, please feel free, but do come back. We love to see all ages in our sanctuary. Please know that we do have a "comfort room" at the back of the sanctuary where you can still hear and see the service and be comfortable with your child. (But that's for your comfort, not ours!)

To the Members of Our Church: The presence of children is a gift to our faith community and a reminder that our church is growing. Please be welcoming and give grace for how they exist in the world. This is how we will continue to grow a loving and beautiful community centered on love.

Remember that the way we welcome children in church directly affects the way they respond to communities of faith, religious exploration, experiences of the Divine, and to one another.
